Mechanics in Training

A group of grade 9 girls travelled to Yellowknife with their teacher, Paul, to visit the garage at the Ford dealership and see mechanics in action.

Many parents, kids and friends came out for our *getting ready for Christmas* themed family night in November. There were some great gingerbread creations, sing-alongs, and lots of snacks and books.

Merry Christmas to all of our families!

Tuesday mornings at 11:15-12.
Come by the library to read books, have free play with other families.

Events to Remember

Christmas Concert - On Tuesday, December 13 the K-6 classes will be performing in their Christmas concert. All are welcome to attend. Event starts at 7 pm, but children who are performing should be here by 6:30.

Last Day before break - The last day for students will be on Thursday, December 15. Christmas break will take place from December 16 to January 2. Students will return to school on Tuesday, January 3.

Food Drive - The Christmas food drive continues at the school. Please bring in non-perishable food donations to help families in need.

These past two months the Grade 8 class of Kristi Batherson has been discussing the impact of bullying on peer relations and personal development.

As a result, we all drew cartoons identifying how it feels to be bullied and ways to overcome this challenge in our lives. We developed super heroes who overcome personal weaknesses to win over a super villain bully. Jenna Weyallon made her own bulletin board entitled "Impact". Most students worked very hard on their cartoons. Katrina Lafferty designed a three page cartoon on the way bullying hurts the victim. Come to the junior high hallway to view our work. Masi cho!
